

GREENWICH PUBLIC SCHOOLS
Greenwich, Connecticut

Policy E-080 – PUBLIC INVOLVEMENT IN THE SCHOOLS

Procedure E-080.6 - School Volunteers

The Superintendent encourages the use of volunteers in the Greenwich Public Schools in the belief that this provides an opportunity for citizens to render genuine service to the public schools. The Superintendent also believes that such involvement furthers the District's goals and objectives in community relations. Efforts shall be made to involve all segments of the community in the volunteer program.

The building principal is responsible for the organization and administration of the volunteer program in his/her building. Volunteer assignments will be developed with discretion to ensure the security of confidential information regarding students, families and staff. Confidential information would include but is not limited to assessment data including grade reports and report cards, medical records, disciplinary records, PPS folders, cumulative education records, documents protected under FERPA, etc.

Procedure Revised - December 2006
