This Addendum No.1 is being issued to answer the following questions:

Question:

This is in regards to the above mentioned bid in which you request bags. Unfortunately, you do not state the gauge you are requesting for most of the bags. Gauge is an extremely important aspect in deciphering prices & therefore must be included when ascertaining prices. Furthermore, for the 33 x 40 you are requesting 0.5 cases a month, how would you be ordering that? Will this be a monthly delivery for all items?

Answer:

The 33x40 and the 40x46 are both food grade bags and used to wrap sheet trays and baker racks. We order them as needed and use about 5 to 10 cases a year.

BAG / POLY / CLR /HVY / 33X40 1.1 MIL 250/CS

BAG / POLY / CLR MOBIL / 40X46 1.1 MIL 100/CS

BAG / POLY / MOBIL / 38X58 / 1.5 MIL blk 100/CS

Question:

What is the color and thickness currently being purchased for the 33x40 and 40x46 bag?

Answer:

Color is clear, 1.1 MIL, food grade bag used for sheet trays and baker racks.

As the bid says weekly deliveries and the usage indicates monthly usage, can you clarify ordering history for us: based on past ordering history, can you tell us how often orders are placed for the bags listed in the bid and what is an approximate case order of each bag

Answer:

Can you supply us with the award pricing and winning vendor(s) from the previous bid, and the date of the last award. If there were any price increases, can you also supply us with this information?

Question:

Can you also supply us with the same delivery information for the gloves listed in the bid.
