

WELCOME TO THE PORTAL

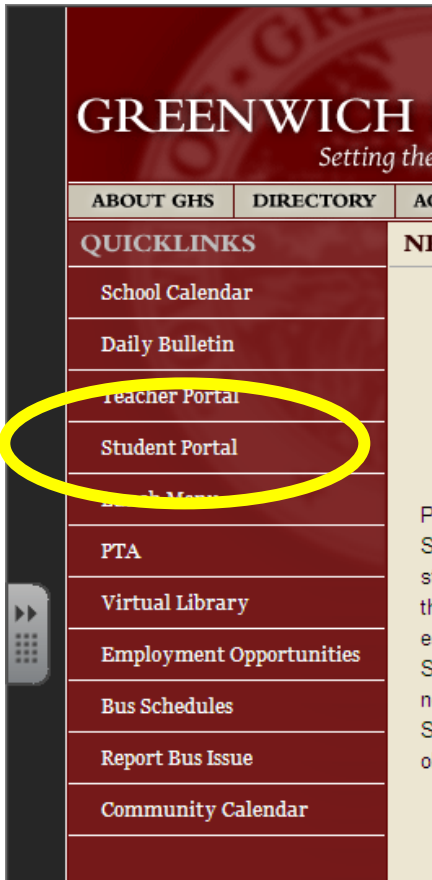

The Portal is one central account for GPS students (and parents) to access student homework, research resources, transfer files, and deliver other school and teacher communication. Many features are still in development. We will keep you informed of new capabilities as they are turned on.

1. The portal works best in Internet Explorer and Firefox.

2. Go to the GHS homepage at www.greenwichschools.org/ghs

3. Click on GHS Student Portal in the Quick Links menu on the left hand side of the page.

4. To Log In:

UserID: 10 digit student number
(00 + 8 digit student number used to log
on to the school computers.)

Password: Your birthday in the MM_DD_YYYY format.
(example: 01_05_2007 for January 5, 2007)

DO NOT CHANGE THE PASSWORD. IF YOU HAVE CHANGED AND FORGOTTEN THE PASSWORD, YOU WILL HAVE TO COME TO THE MEDIA CENTER TO GET IT RESET. THIS CANNOT BE DONE IMMEDIATELY.

For Example:
