WMS Musical Program

Parents of Western Middle School students! We have lots of flyers in the office in order for you to place an ad in our school musical program. It is a super way to advertise your business or professional service that you offer to the public, or maybe you would like to wish the cast and crew good luck on our show! Please consider taking out an ad to support the musical that our school puts on every year. Over a thousand families in this local community will see your ad in the program, as well as people outside of our community. The funds go directly to support the musical. Don't miss the show! Thank you for your support! Ms. LaRose
