This Addendum No. 1 is being issued to post the sign in sheet for the Mandatory Walk Through that took place on 11/16/22 and to answer the following question:

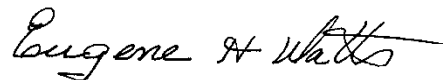

QUESTION:

Can we submit the 17 copies of the technical proposal as an electronic file rather than printed 17 copies. Since the pandemic, most government agencies started receiving RFP as an electronic format, saving thousands of valuable printed paper resources.

We will still submit one hard copy of the full proposal for your hardcopy records.

ANSWER: No, electronic copies will not be accepted

All project requirements, except for those that are specifically added or modified by this Addendum shall remain in full effect.
