****ADDENDUM 2****

REQUEST FOR BID DEADLINE MARCH 22, 2023-11:00AM

**WESTERN MIDDLE SCHOOL FIELDS
REMEDATION PROJECT
PRE-QUALIFICATION
RFQ #2407-23**

The following questions were submitted to Greenwich Public Schools:

Q: How will the Contractors Bid Proposal be evaluated (i.e. weighted average of cost vs technical approach) and who will be involved in the evaluation process?

A: Contractor Bid Proposal will be evaluated as described in Section 1.18 of the “EXAMPLE OF TOWN BID AND CONTRACTING REQUIREMENTS” provided as Attachment 1 to the Invitation to Submit Pre-Qualification Packages. A description of technical approach will be one of the required components of the Bid (not this Pre-qualification) and must be included for the bid to be considered responsive. Costs will not be weighted and technical approach will only be scored as adequate/responsive or inadequate non-responsive. Contractor selection will be based on cost comparison of qualified, responsive bids. Each submitted bid will be evaluated by Greenwich Public Schools and Town of Greenwich representatives and their consultants.

Q: Attachment Q requests a copy of the Corporate Health and Safety Plan. This plan can be quite long. Would a Table of Contents and Policy Statement be acceptable?

A: A Table of Contents and Policy Statement is acceptable as a response for Attachment Q. The full Corporate Health and Safety Plan must be available upon request.
