

WANT TO VOLUNTEER?

TVS does the legwork for you to find opportunities in your area!

WHAT

On the TVS website, volunteers are able to register to see, search and sign up for all of the volunteer opportunities in their area. TVS then connects the volunteer with the organization.

WHO

TVS is the brainchild of like-minded and service-oriented women from the community. Through their involvement, they saw the need for a convenient and centralized way for individuals, families and seniors to find hands-on volunteer opportunities in their community.

HOW

TVS is a membership-based site with a database of volunteer opportunities. Volunteers are able to search by multiple filters to find the opportunity that is right for them!
