Such amount shall be fixed by the Town after consultation with the Contractor and shall be subject to audit by the Town Comptroller. Termination under this section shall not give rise to any claim against the Town for damages for compensation in addition to that provided hereunder.

7. It is the intent of this Contract to secure the personal services of the Contractor or a duly authorized and competent representative(s) of the Contractor acceptable to the Town. Failure of the Contractor for any reason to make the personal service of such a person available to the Town to the extent necessary to perform the services required skillfully and promptly shall be cause for termination of this Contract.

8. The Contractor shall not assign this Contract without prior consent of the Town in writing.

9. In the event of death or disability of the principal of the Contractor, any qualified partner or associate of the Contractor may be authorized, at the option of the Town, to continue to perform and complete all the terms, covenants and provisions contained in this Contract.

10. If the Contractor has been delayed and as a result will be unable, in the opinion of the Town, to complete performance fully and satisfactorily within the time allowed therefore, the Contractor, upon submission of evidence of the cause of the delay, satisfactory to the Town, shall at the discretion of the Town, be granted an extension of time for performance equal to the period that the Contractor was actually and necessarily delayed.

11. When the Town shall have reasonable grounds for believing that a) the Contractor will be unable to perform this Contract fully and satisfactorily within the time fixed for performance, or b) a meritorious claim exists or will exist against the Contractor or the Town arising out of the negligence of the Contractor or the Contractor's breach of any provision of this Contract, then the Town may withhold payment of any amount otherwise due and payable to the Contractor hereunder. Any amount so withheld may be retained by the Town for such period as it may deem advisable to protect the Town against any loss and may, after written notice to the Contractor, be applied in satisfaction of any claim herein described. This provision is intended solely for the benefit of the Town. No person shall have any right against the Town or claim against the Town by reason of the Town's failure or refusal to withhold monies. No interest shall be payable by the Town on any amounts withheld under this provision. This provision is not intended to limit or in any way prejudice any other right of the Town.

12. The acceptance by the Contractor, his successors or assigns, of any payment made on the final requisition under this Contract, or of any final payment due on termination of this Contract, shall constitute a full and complete release of the Town from any and all claims, demands and causes of action whatsoever which the Contractor, his successors or assigns, have or may have against the Town under the provisions of this Contract.

13. The Contractor shall not assert any claim arising out of any supervisory act or omission by any agent, officer or employee of the Town in the execution or performance of this Contract against any such agent, officer or employee. The Contractor shall require each person supplying labor or materials to the Contractor to agree in writing to the Contractor not to make any claim against the Town, its officers, agents or employees by reason of such labor or materials, or by reason of any acts or omissions of the Contractor.

14. The Contractor shall indemnify and save harmless the Town and its officers, agents, servants and employees, from and against any and all claims, demands, suits, proceedings, liabilities, judgments, awards, losses, damages, costs and expenses, including attorneys' fees, on account of bodily injury, sickness, disease, death or other damages sustained by any person or persons injury or damage to or destruction of any property, directly or indirectly arising out of, relating to, or in connection with the work called for in the Contract, whether or not due or claimed to be due in whole or in part to the active, passive or concurrent negligence, fault, or contractual default of the Contractor, its officers, agents, servants or employees, any of its

subcontractors, the Town, any of its respective officers, agents, servants, or employees and/or any other person or persons, and whether or not such claims, demands, suits or proceedings are just, unjust, groundless, false, or fraudulent, and the Contractor shall and does hereby assume and agrees to pay for the defense of all such claims, demands, suits and proceedings, provided, however, that the Contractor shall not be required to indemnify the Town, its officers, agents, servants, or employees, against any such damages occasioned solely by acts or omissions of the Town, its officers, agents, servants or employees, other than supervisory acts or omissions of the Town, its officers, agents, servants, or employees, in connection with the work called for in the Contract.

15. The Contractor shall take out and maintain during the life of this Contract the types and amounts of insurance as are set forth in the attached Exhibit A. Before commencing the work called for in this Contract, the Contractor shall furnish the Town with a completed certificate of insurance on the Town form that is included in the attached Exhibit A evidencing such coverage.

16. Contractor agrees to comply in every respect with applicable State and Town laws, regulations and ordinances.

17. Contractor shall at all times be deemed to be an independent contractor and shall be wholly responsible for the manner in which it performs the services required of it by the terms of this Contract. Nothing herein contained shall be construed as creating the relationship of employer and employee or principal and agent, between the Town, its agencies, employees, agents and Contractor, its employees and agents. Contractor assumes exclusively the responsibility for the acts of its employees and agents as they relate to the services to be provided during the course and scope of their employment. Contractor, its agents and employees shall not be entitled to any rights and privileges of Town employees and shall not be considered in any manner to be Town employees.

18. The laws of the State of Connecticut shall govern this Contract and any and all litigation related to this Contract. In the event of litigation related to this Contract, the exclusive forum shall be the State of Connecticut and the exclusive venue for such litigation shall be the Judicial District for Stamford/Norwalk at Stamford.
