

Class Placements for Next Year

We are beginning the process of determining class placements for next year. This is a team effort, done with great care, to ensure that we have considered all factors that create an optimum placement. Given the complexity of this process, it is highly unlikely that we will be able to make any changes to the class lists once they have been finalized. ***It is therefore extremely important that if parents wish to have input about their children's learning needs, they do so before the lists are completed.***

Parents are invited to write an email or letter to the principal regarding their child's academic and/or social needs. Although parents may **NOT** request a specific teacher, the information provided will be used along with other criteria to develop the class lists for next year. ***The email or letter should be submitted no later than Friday, May 5, 2017.*** Input given after this date may not be used to complete class lists.

As always, it is important to keep in mind that the final decision on class placements resides with the principal.

Smarter Balanced Assessment Schedule - Grades 3, 4, and 5

The SBA testing schedules for grades 3, 4, and 5 are below. Please review the assessment dates for your child(ren) and ensure that they get a good night's sleep and have a good breakfast that morning.

You can read more about the SBA testing in Connecticut at the following site:
