

Kindness can change our school

Our students will be attending a school assembly at 9 am Monday morning. These assemblies are a component of our Social Emotional Learning Program and our Tier 1 Positive Behavior Support Systems for all students in the building. The assembly will provide recognition of kindness across the school and reminders of our school norms.

Be Here..... Be Safe.... Be Honest.... Take Care of Self and Others..... and Let go and Move On. Ask your children about the assembly on Monday evening.
