

NEW LEBANON ELEMENTARY SCHOOL BUILDING COMMITTEE

Community Update – March 2018

About the New Lebanon School Building Project

This intra-district elementary International Baccalaureate magnet school will serve 374 students in grades PreK-5. The centrally located learning commons, equipped with flexible furnishings & adaptable technological infrastructure, allows for multiple zones of simultaneous learning. The building is designed to meet the sustainability goals established by the Educational Specifications and to achieve a gold-level LEED rating from US Green Building Council.

View of site looking East – 2/21/2018
