Greenwich Public Schools (GPS) Master Plan for
Facilities Infrastructure and Next Generation Schools

Tuesday, May 22, 2018

Cardinal Field Forum: 6:30 p.m. – 7:30 p.m.

Master Plan Forum: 7:30 p.m. – 9:00 p.m.

Greenwich High School – Choral Room

Please join the Greenwich Public Schools' project manager, KG+D Architects and District administrators as they present a status update on the Cardinal Field and Master Plan projects and provide an opportunity for community engagement.

Cardinal Field: On February 22, the Board of Education approved the continuation of the Cardinal Field Improvement Project – “Feasibility Study Option B”- to the Site Design Phase. At this early stage of site design, the architect and District administrators are interested in community feedback prior to the development of the specific plans.

Master Plan: Greenwich Public Schools (GPS) will share the final master plan proposed by the District's consultant KG+D Architects after a year-long comprehensive assessment of school facilities. Community feedback is encouraged as District administration, the Board of Education and other Town bodies work to prioritize the facilities needs and vision for the future of our public school buildings.

To follow the progress of these projects and/or to submit online feedback, visit:
