Dear Filming Applicant:

Attached is the Application for a Permit for Commercial Filming and Promotion. The completed application, after it is signed by all of the required Department Heads and the First Selectman or authorized agent, will be your permit; you are required to keep it with you at all times.

Please review the application very carefully. Completely and accurately fill-out all portions of the application which pertain to your operation; indicating "N/A" in those areas that do not apply. **The application must then be submitted IN PERSON to the appropriate town department that has supervisory rights over the property where the filming is to be conducted:**

The supervisory department will collect the application fee, retain a copy of your insurance document, and direct you to additional departments if further signatures are necessary (ALL applications must be signed by the Health Department, Police Department and the First Selectman, at a minimum, in addition to the supervisory department). Once all of the necessary signatures have been obtained you will return to the Health Department, Division of Environmental Services. Your permit application will be copied for our records and you will retain the original application as your permit.

If you have any general questions regarding the application, please contact the Division of Environmental Services at 203-622-7838. If you have questions for a specific department, you may contact the Town of Greenwich Town Hall at 203-622-7700 and request to be forwarded. Thank you.
