Sample product listing

Meaning of the symbols preceding each product listing

Each product listing is preceded by a symbol indicating the allergens that are excluded from the product.

Green Symbols: These products are produced in facilities that do not process peanuts or tree nuts or are explicitly marketed as free of these allergens. In addition, the symbol indicates the other allergens that are excluded:

8 – Green eight: *no peanuts, tree nuts, or the other “Top 8” allergens (eggs, milk, soy, wheat, fish, and shellfish)*

✓ – Green check mark: *no peanuts, tree nuts or eggs.*

▲ – Green triangle: *no peanuts or tree nuts. May contain eggs or highly refined coconut oil.*

This information is provided by the manufacturer on the product label, in promotional literature, on their website or directly to us via our platform.

Black Symbols (•): These products do not list peanuts, tree nuts and eggs as ingredients on the label, there are no warnings on the label that the product may contain these allergens, and *to the best of our knowledge* these products are produced on lines where these allergens are not processed.

Note that these items are not explicitly marketed free of these allergens, that we do not have a relationship with the respective manufacturers, and that our information is gleaned primarily from periodic queries to their customer service facilities.

Meaning of the symbols following product names

Many product names are followed by symbols in [brackets] that indicate the industry recognized certifications the product bears as asserted by their manufacturers. These include:

[K] – certified *kosher* [O] – certified *organic* [NG] – certified *non-GMO* [GF] – certified *gluten-free*
