

# Greenwich High School Outreach Club & StressLess Club Clothing/Textile Drive

**Dec 4 – Dec 20**

Drop off at GHS Front Glass Corridor,  
Back Parking Lot, and Arch Street Teen Center

Bring unwanted clothes, shoes, belts, bags, towels,  
bedding, and any other textiles.

Torn, stained, or broken,  
we'll take them in any condition.

The more we collect, the more we raise! Be part of the conversation  
about teens, substance misuse, and mental health challenges. Let's end  
the stigma and create a community of caring.

- COD(Co-Occurring Disorders): the combination of one or more mental health challenges and substance misuse/addiction.
- **CODA**: a youth movement to raise **COD** Awareness, create opportunities to end stigma, encourage early intervention & support.

This event supports the creation of the **CODA** Toolkit
