

Early Childhood Education Programs

Wednesdays This Fall

Sept. 20 - Dec. 20 2017

Nature Sprouts: Mommy & Me

Ages 18 months to 3¹/₂ years
9:00 - 10:00 a.m.

Audubon's littlest learners gather for an hour of nature-themed discovery. Designed for children ages 18-36 months, the program topics include shapes, colors, plants, birds, and more. Guided learning and exploration in nature using song, dance, sensory activities, stories, and nature walks. Children uncover the secrets of the big, wondrous world around them as their grown-ups learn from each other about ways to balance the many aspects of navigating toddler-hood.

Fall Session: \$388*

Little Saplings: Learning Together

Ages 3¹/₂ to 5 years
12:30 - 2:00 p.m.

Children ages 3 and a half to 5 join their guardian for an hour and a half of nature exploration together. This group class will encourage adults and children alike to learn about the world while playing in nature. Children will learn ecology, earth science, literacy, and social skills through activities such as scavenger hunts, crafts, animal interactions, dramatic play, and more!

A healthy bagged lunch is available for purchase. (Lunch 12:00-12:30 p.m.)

Fall Session: \$400*

Lunch: \$7 ea
