

Eastern Middle School Bus Procedures and Schedules 2018-2019

Students who live more than one and a half miles from Eastern will be issued a free bus pass at the start of school. In addition, students in any school district who live within the district and within the stipulated mileage limit may apply for special permission to ride the bus. If there is sufficient room, they may be allowed to purchase a bus pass on a first come, first serve basis. Bus passes cost \$230.00 for the year. Please note: should a family establish residence which requires free transportation within their school district, children in this family would have priority privilege to seats on the bus. In such cases, students riding by special permission (i.e. paid bus pass) would have to relinquish their bus privileges and would receive a refund on the unused portion of transportation charges. After all passes are issued, all students will be required to show their pass each time they board the bus. In addition, each student is expected to:

1. Wait for and board the bus in an orderly fashion, no pushing or shoving.
2. Remain seated with hands and head in the bus while riding.
3. Be courteous to both the bus driver and fellow students.
4. Obey all school rules and regulations while waiting for and riding the bus.

Each student's behavior affects the safety of all students on the bus. Students who misbehave will be suspended from riding the bus. If you have questions, concerns or would like additional information regarding bus transportation, please go to the website www.greenwickschools.org. An on-line system for reporting school bus issues is available on the website.

There are No Late Buses on Wednesdays, and transportation is not guaranteed to students who have purchased a bus pass.
