

**Acceptable Use Policy for Chromebooks
Greenwich Public Schools
2018-19**

I will follow all parts of Greenwich Public Schools Acceptable Use and Internet Safety Agreement for Chromebook use.

This means I will:

- **Only use a Chromebook for educational purposes;**
- **Stay on task when using a Chromebook;**
- **Use only educationally appropriate apps and websites;**
- **Treat all Chromebooks gently and safely;**
- **Keep my passwords secret;**
- **Give credit for images and words using proper citation;**
- **Print only when I have permission;**
- **Communicate online safely and appropriately for school-related purposes.**

This also means I will not:

- **Deface, mark, damage or remove the school-provided identification on my chromebook;**
- **Access the Internet or apps without teacher permission**
- **Produce, access, download or upload content/images/videos that could disrupt the school day;**
- **Download any apps or games without specific permission from a teacher;**
- **Make changes to hardware and software;**
- **Use another person's user name and/or password;**
- **Cyberbully, harass, or discriminate.**
- **Post, send, or store online information that could endanger others;**
- **Try to get through the Internet filters.**

I acknowledge and understand that I am expected to care for my chromebook appropriately and keep it safe, that I understand the rules and expectations still apply before and after school, and outside of the school building, including at home. If I violate any condition of this agreement, I may have my computer privileges suspended and/or revoked.
